5th Grade,
Congratulations on a job well done!

I was extremely impressed by your hard work and dedication during the audition process for this show. A great deal of thought and heart went into casting; I cannot wait to get started with rehearsals next week!

Remember: "There is no such thing as a small part." You are all very important to this musical, and I know that God is going to teach you some pretty incredible things as you dive into your characters, songs, and dialogue.

Solos and Group parts for songs will be assigned over the next couple weeks. You should all be very proud.

Have a blessed weekend!

Feel free to email me with any questions!
