

EXCITING SCRIP NEWS!

YOU ASKED FOR IT! So we did some investigation and found out that there are several ways that you can order Scrip directly from Great Lakes Scrip.

You will need to create an account. Go to the website www.glscrip.com. In the upper right hand corner, click on the ShopwithScrip.com logo. That will take you to another page. On that page, on the left hand side, go to where it says Family Sign Up. Create your own family account. Our school enrollment code is available through the school office. You will need this number to link your purchases to St. Patrick School.

You will need to set up a PrestoPay account. This is an account that will allow Great Lakes Scrip to DEBIT your checking account for the scrip that you purchase. You need to pay at the time of order.

When will you get your Scrip cards? Your order will be shipped to school with the school's order. So orders placed in time will be received at school on Tuesdays. School orders their Scrip on Friday.

You can RELOAD the cards you purchased with you ShopwithScrip account. You will need to register the card number with your account and add funds directly to the card. Refer to the Reload page at ShopwithScrip.com for more information. Using your PrestoPay account to reload your cards means that you are never without your favorite Scrip!

Want it faster? To use ShopwithScrip's newest and quickest way to purchase Scrip, you need to use ScripNow! With this online order and pay tool, you can also get your eCards in minutes! This is a great way to send gift cards or to get a last minute gift when needed. There are about 70 vendors that are available on ScripNow!

Now you have 3 ways to get Scrip! You can continue to come into the office and choose out of the box and place special orders with Gail; you can go online, join and set up your ShopwithScrip.com accounts to order and pay for your Scrip and then come into the school to pick it up when it is delivered; or you can go to ScripNow!, order, pay for and get your eCard almost immediately. It is really up to you!
