Mission Statement

Inspired by the Sisters of Mercy and the Catholic school traditions of faith, challenging academics, and service to others, we partner with families to prepare well-rounded students for life long success.

Vision Statement

Providing a faith-filled, academically challenging, service oriented curriculum so that all graduates are secure in their foundational preparation and confident in pursuing goals, serving the community, and finding success in future endeavors.

St. Patrick School emphasizes:

- Connecting our Catholic faith to all we do and learn
- Providing a comprehensive, technologically rich curriculum
- Addressing local and global needs through active service

School Philosophy

St. Patrick Catholic School is a community in which teachers, staff, clergy, and parents work together to provide a well-rounded Catholic education for each student.

As facilitators of the educational program, the faculty and administration consider it essential to teach the student to live in accordance with the spiritual, moral, and ethical principles exemplified in the life of Christ and inspired by the Sisters of Mercy. St. Patrick School emphasizes its role as:

- A Catholic Community in which the members care for, challenge, and support one another for the common good, with parents as the primary educators of their children.
- A Provider of Comprehensive Curricular Programs that offer excellence in education integrated with Christian truths and values, and where each child can realize his/her full potential.
- A Reflection of the image and Likeness of Christ where we conduct ourselves as disciples of Christ by living the Good News and serving others through works of mercy
- A Safe and Disciplined Environment which creates a campus where responsible citizenship and moral reasoning are reinforced by relationships of charity, respect, peace, and reconciliation.

School Wide Learning Expectations

St. Patrick Catholic School's **School Wide Learning Expectations** focus upon student growth and success.

Living our faith and the charism of the Sisters of Mercy are foundational to our tradition of academic success and model citizenship. Each day a St. Patrick Catholic School Student strives to be (come):

A Person of Faith who:

- Puts God's word into action
- Prays each day
- Understands the teachings and traditions of the Catholic Church

An Academic Scholar who:

- Communicates effectively
- Sets and strives to achieve short and long term goals
- Finds academic success through hard work and strong study habits

A Model Citizen who:

- Acts responsibly
- Serves others willingly
- Respects others in word and action?

School Accreditation

St. Patrick Catholic School is fully accredited by the Western Catholic Educational Association (**WCEA**) and the Western Association of Schools and Colleges (**WASC**) and the This accreditation process recognizes and confirms:

- 1st** ... that professional standards of curriculum, instruction, and care of each child is being maintained and advanced in our school;
- 2nd** ... that our school has clearly defined and appropriate educational goals/objectives that are being substantially achieved; and
- 3rd** ... that our school is a high-quality educational enterprise with the human, fiscal, and physical resources to continue its services for many years.

Catholic Community, Admission, and Attendance

As communities of holy people—teaching, learning, supporting, organizing—Catholic schools join together to create for children an educational adventure, permeated by the Lord’s gospel as proclaimed by the Catholic Church. Likewise, St. Patrick Catholic School unites the spiritual and educational forces between home and school to prayerfully search together after the wisdom and grace of God.

Every person, as a child of God, has equal dignity and an inalienable right to an education. Therefore, **no qualified student will be denied admission to St. Patrick Catholic School on the basis of sex, race, color, national origin or handicapping condition** (if, with reasonable accommodation on the part of the school, the handicapped person can be accommodated).

Admissions Procedures

Acceptance of students into St. Patrick Catholic School means that the family of the student is also accepted into the school community. Students and their families are expected to contribute to the building of the Catholic community at the school.

Admission to St. Patrick Catholic School is a multi-step process. New applicants for kindergarten and grades one through eight will interview with the Principal and have an academic screening. Attendance at an orientation night will be required for all new families. Once accepted or re-enrolled, all families must complete and submit a signed Admission Contract for the current academic year before students can attend classes.

Acceptance of a student into St. Patrick Catholic School means that the family of the student is also accepted into our school community. Students, along with their families, are expected to reinforce the Christian community at our school. No one will be admitted who, in the judgment of the administration, will not have his/her needs met at St. Patrick Catholic School.

Parents and guardians are required to inform themselves thoroughly regarding all of the regulations as set forth in the St. Patrick Catholic School Family Handbook, particularly in the areas of faith development, school philosophy, discipline, family responsibilities and financial obligation of the parents/guardians.

Priority of Admittance

Since St. Patrick is a Catholic school, it is our goal to educate and support parents as partners in the intellectual

and spiritual development of their children. Students are accepted on the basis of openings and the ability to progress and achieve within our curriculum and programs.

Preference for admission to St. Patrick Catholic School will be given to:

1. Continuing students of currently enrolled families of St. Patrick Catholic Preschool – Jr. High School.
2. Siblings of currently enrolled families.
3. Children of alumni.
4. New students who, **at the time of application**, are already registered with St. Patrick, St. Joseph's or St. Paul's Parishes, in order of filed applications.
5. Other new students in order of the date of filed applications.

The school administration reserves the right to deny admission to any student not satisfying the entrance/continuation requirements. This denial may be reviewed every quarter by parents and the school administration, keeping the best interest of the child as a first priority.

FEES

All fees are due at the time of registration. Children will not be admitted until all fees are paid and all tuition payments are current. **Registration fees are non-refundable if you decide not to enroll your child in St. Patrick Catholic School.**

TUITION AND FEE RESPONSIBILITIES OF FAMILIES:

The principal sets the level of tuition and fees annually after consultation with the School Board. Complete responsibilities for tuition and fees are outlined annually within ***“St. Patrick Catholic School Registration Information and Policies”*** packets.

ANNUAL TUITION

Tuition is a yearly cost, but may be paid in advance **in August (per contract)** or in ten (10) or twelve (12) scheduled monthly installments or by another payment plan requested in writing to, and approved by, the Principal.

TUITION PAYMENT POLICY

If a family is unable to honor their financial commitments, they must contact the school office immediately. This is vital to safeguard against any loss of revenues that would hinder the educational services provided to all families and to prevent legal pursuit of, or penalties to, delinquent accounts. Jr. High students will not sit for quarter/semester exams if fees are not current.

REGISTRATION FEES

All fees are due at the time of registration. Registration fees cover textbooks and workbooks, master insurance contribution, diocesan student assessments, resources essential for instruction, various testing of students and individual student insurance coverage. Registration fees are non-refundable.

TUITION ASSISTANCE FOR FAMILIES:

St. Patrick Catholic School strives to make Catholic education available to all children even if families cannot meet the full cost of tuition. To facilitate this goal, a limited amount of money is available to families who enroll their children in Kindergarten through 8th grade. Funds are allocated based upon demonstrated need and are disbursed directly into tuition accounts at the beginning of each school year. Once these funds are depleted, additional requests for assistance will be denied.

All matters relating to individual tuition assistance are held in the strictest confidence between the receiving family and school administration only.

Tuition grants are designed only to financially assist families in need. Tuition assistance allocations should not be regarded as a family's sole means of financing the Catholic education and care of their child(ren) at St. Patrick Catholic School.

TUITION AND FEE PAYMENTS MADE BY A TAXPAYER ON BEHALF OF HIS/HER CHILD(REN) ATTENDING ST. PATRICK CATHOLIC SCHOOL ARE NOT ALLOWABLE DEDUCTIONS.

SERVICE AND FUNDRAISING RESPONSIBILITIES OF FAMILIES

The Christian way of life is a call to be holy and to serve the Lord. To keep St. Patrick Catholic School an affordable opportunity, each family participates in our **Family Service and Scrip Programs**. Complete family service/fundraising policies are outlined annually within "**St. Patrick Catholic School Registration Information and Policies**" packets.

ATTENDANCE, ABSENCES, TARDINESS

ABSENTEE PROCEDURES

Parent/guardian is required to phone the school office before 9:30 a.m. to report a student absence. If the office staff is not notified by 9:30 a.m., parent/guardian will be contacted to verify the absence.

If a child is out longer than three (3) days, the child shall be required to have a written note from the doctor depending on the illness before re-admittance can occur.

"Excessive absences or tardies, even if necessary and excused, may be grounds for decreased credit or disciplinary action. **Any student who misses ten (10) days of school during any trimester will be subject to possible retention, after a review of the situation by the Principal and pursuant to local school policy/procedures. (Diocesan Policy #5310)**

TARDINESS

Students are required to be on time for 8:25 a.m. assembly. A five-minute warning (8:20 a.m.) hand bell will ring so that students may prepare themselves for community prayer and flag salute. All play equipment, backpacks and bathroom calls must be taken care of before 8:25 a.m. If a student arrives while prayer and/or flag salute is in progress he/she must stand still until the prayer/flag salute is over. Students who arrive late for school must go to the office for a tardy slip. A tardy implies that a student does not enter the classroom with the rest of the class. **Four (4) unexcused tardies within a trimester will result in a detention for habitual tardiness.**

Tardies are excused only if a reasonable hardship would have been inflicted on the family in order to get the student to school on time.

RELEASE OF STUDENTS DURING SCHOOL

Students withdrawn from school prior to 2:50 p.m. for activities other than illness, medical/dental or family emergency are considered unexcused absences and will be notated as a full/half day absence according to school policy. Release of a student during school hours will require the parent or pre-authorized adult to come to the school office. Please understand that personal identification will need to be verified by the office staff prior to the student's written release to the parent or pre-authorized adult.

SCHOOL RELEASES/MEDICAL APPOINTMENTS

No child may leave school without authorization. Children are released during school hours into the custody of parents or authorized adults only (as indicated on Family Emergency Card), and only after a release form has been signed in the office and a carbon duplicate presented to the classroom teacher when the student is being picked up. Safety is always of utmost concern; therefore, please understand that personal identification will need

to be verified by the office staff prior to the issuance of a written release to the parents or authorized adult. Medical appointments are excused tardies and absences. A note from the doctor/dentist's office must verify the appointment. Early release for any reason must have an authorized signature on the release form prior to the student leaving the school grounds. An unexcused release prior to 2:50 p.m. will be considered a half-day's absence.

FAMILY VACATIONS

Parents are encouraged not to take family vacations during school sessions.

ABSENCES DUE TO FAMILY VACATIONS ARE CONSIDERED UNEXCUSED ABSENCES.

7th and 8th grade semester exams and Renaissance testing given to grades K-8 in the Fall will not be allowed to be made-up due to vacation schedules.

Please see Homework Policy under Enlightened Curriculum & Instruction for more details.

HEALTH & HYGIENE OF CHILD(REN)

Parents are naturally held accountable in caring for their child(ren)'s good health and hygiene practices. Continual neglect of good health and/or hygiene practices which constitute a hazard to other students; e.g., nausea, running a temperature, hacking cough, lice, pink eye, impetigo, or other communicable diseases or conditions, including the constant re-occurrences of these, can result in expulsion. (Diocesan Policy #5621) Any absence of three (3) days or more may require a doctor's release for the child to return to school.

Children who are injured in off-campus incidents (cuts, bruises, sprains, etc.) must have the injury attended to before they arrive at school the following day. The school will not treat injuries that occur off-campus. Parents will be called to do so. A change of a Band-Aid or application of calamine lotion are a few of the exceptions the office staff will attend to.

Children are expected to report to school ready to learn. This means having had breakfast and being properly groomed: bathed with clean hair brushed or combed in an acceptable manner; clean clothes so as not to be offensive to others or to embarrass the student or any school employee who would feel the need to address the hygiene issue. The school office does not always have replacement clothing and you may be called in the event clean clothing is needed

Reflect the Image and Likeness of Christ

St. Patrick Catholic School reflects this mission by nurturing faith development through quality Catholic religious instruction, by providing opportunities for spiritual growth and the celebration of our faith and by consistently fostering the practice of Catholic Works of Mercy.

RELIGIOUS INSTRUCTION:

All grades K-8 have daily religious instruction. The aim of our daily instruction is to assist each student to become an involved and active member of the Catholic Church.

PRAYER SERVICES AND PARALITURGIES

Students participate in a variety of prayer experiences. Each school day begins with community prayer followed by individual class prayers. Individual classes prepare appropriate prayer services and paraliturgies either as part of their religion lessons or to celebrate or commemorate particular events with the school community.

SACRAMENTS OF RECONCILIATION AND EUCHARIST

Students in Grade 2 prepare for the sacraments of First Reconciliation and First Eucharist during the school year. The school program is coordinated with the parish program and takes place in the spring.

Prior to children entering 2nd Grade, "All non-baptized children must be baptized by September of their second grade year if they intend to receive the sacraments of Reconciliation and Eucharist." In receiving Reconciliation and Eucharist your child enters more fully into the life of the Church. A prerequisite for receiving these two sacraments is the sacrament of Baptism.

Mass is celebrated as a school community at least once a month. These celebrations, prepared by the students, are held in Mercy Gymnasium on campus or at St. Patrick Church. When Mass is celebrated at the church, parents are asked to arrange their own child's transportation from home to the church and from there to school. All those choosing not to celebrate Mass on this occasion must be working in a classroom under supervision.

WORKS OF MERCY

Christian disciples comfort those in need, both physically as well as spiritually. These needs and our active Christ-like response to them are expressed in Corporal and Spiritual Works of Mercy. By living the Works of Mercy, as Jesus asked us, St. Patrick Catholic School puts our faith into action by each of our classes performing four (4) Works of Mercy each year. This may be done by collecting food for needy families, almsgiving to support missions and St. Jude's Children's Hospital, visiting convalescent homes and serving in parish outreach projects.

JR. HIGH WORKS OF MERCY

Supervised by the Campus Activities Director, 6th - 8th grade students are required to perform 25 hours of charitable service each year of Jr. High for a total of 75 hours.

A specific number of hours will be designated and coordinated by the Campus Activities Director involving St. Patrick Parish Outreach services, and other approved school, home and local Works of Mercy. Students must complete their works of mercy prior to graduation.

**"...This is what the Lord asks of you, only this: that you
Act Justly, Love Tenderly, and that you Walk Humbly with thy God."**

SPIRITUAL FORMATION & SPIRITUAL GOALS

...Students who consciously desire to build a personal relationship with God as Parent and Creator, embodied for us in Jesus, and available to us daily as God's indwelling Holy Spirit.

- ...Students who seek God's truth, reflect on God's word, witness to God's presence and to God's love with maturing faith and deepening commitment.
- ...Students who take responsibility to be informed about the problems of the world; who take seriously their role as co-creators of the future; who serve the needs of others in joy and sacrifice; and who yearn for peace on this planet, justice and mercy for all, and the unity of all people with God.
- ...Students who celebrate with the Catholic community of believers, wholeheartedly and joyfully, the liturgical cycle of the Lord's life, death and resurrection; experience and witness to the sacramental actions of Eucharist, forgiveness, healing, and selflessness; value unity with diversity and always affirm the sanctity of life.

GOD'S OWN MAKING/FAMILY LIFE

- ...God's Own Making is intended to address three themes in sexuality in an age-appropriate way for grades 4-8. The themes of the program are: Respect for Life, Sexuality as Relational, and Life-giving, Love-giving.
- ...The purpose of God's Own Making is to help the young people understand that human sexuality is God's gift and is a fundamental part of who they are as whole persons-body, mind, and soul.
- ...The program fosters an understanding of the human and Christian values that sexuality is meant to express and to encourage them to live these values.
- ...The program involves understanding ourselves as physical, moral, spiritual, emotional beings, our relationships with others, our commitments.

CIRCLE OF GRACE

The goal of the Circle of Grace program is to educate and empower children and young people to actively participate in a safe environment for themselves and others.

Enlightened Curriculum & Instruction

Student learning and student outcomes, which focus on norm based and standards based assessment is vital to the educational process. These aspects of the educational process are all interwoven into an "**enlightened curriculum**" at St. Patrick Catholic School. Such enlightenment integrates the spiritual understanding of Catholic educational philosophy within a learner-centered, Christian, values-based curricular design.

We believe:

That the Catholic school experience teaches Christian truth and the Gospel values of love of God and love for other people.

That what we teach and how we teach will bring our students to Christian discipleship, moral growth and love of learning throughout their lives.

That our educational programs are learner-centered and educate the whole person, while developing critical thinking and creative skills.

That our courses of study are designed to develop initiative, self-discipline and personal responsibility in our students.

That through the experience of Catholic schooling our students will be prepared to be leaders in the church and in society.

ACADEMIC GOALS

St. Patrick Catholic School seeks to engage children so that they will embrace lifelong learning and moral growth through developmentally appropriate curriculum and instruction, and through formation in the beliefs, wonders, and traditions of the Catholic faith.

TESTING

The Renaissance STAR Reading, Math and Early Literacy Testing Programs have been mandated by the Diocese of Monterey and are administered to all grades. This testing takes place each trimester. Results are given to all parents each trimester. Scores for eighth grade are forwarded to high school for placement. The testing program is to measure student growth. There will be no make-ups, under any circumstances, due to unexcused absences.

TEXTBOOKS

It is important that each child be trained to respect and take care of all school property. Reimbursement is required for lost or damaged books. Please provide each child with a bag in which to carry books.

ACADEMIC & CONDUCT AWARDS

St. Patrick students are encouraged to seek both academic and personal excellence by developing their full spiritual, intellectual, emotional and physical potential. Each year the school will recognize students who demonstrate outstanding performance with the following awards:

PERFECT ATTENDANCE (GRADES K-8)

Those students who attend school every day for an entire academic year will be honored.

PRINCIPAL'S HALL OF FAME (GRADES 8)

This award is given to students who achieve an excellent grade point average (3.75-4.00) while demonstrating outstanding classroom conduct and effort, work habits and home studies.

SUBJECT AWARDS (GRADES 8)

At the end of the year these awards are given to students who demonstrate high achievement (90%- 100%) in a particular academic area. Awards are given for each of the core subjects.

THE PRIDE OF ST. PATRICK (GRADE 8)

At the end of the year this award is given to one graduating student who best exemplifies a Christian spirit, academic achievement, physical integrity, and an honorable character. This student should be an inspiration to her/his fellow classmates and an example of the finest St. Patrick has to offer. The graduating eighth grade class will secretly nominate three students for staff to vote upon with the principal's and pastor's final approval.

STUDENT OF THE MONTH

At the end of each month each teacher will have the opportunity to choose a "Student of the Month". This student has demonstrated outstanding initiative and creativity in their responsibilities, a positive Catholic school attitude and high levels of cooperation with their classmates and teacher(s).

HONOR ROLL (Grades 6-8)

“PRINCIPAL’S LIST” : Students who achieve a 3.75 or higher

“HONORS”

St. Patrick Catholic School encourages students to develop and maintain high academic standards. **“First Honors”** loudly applauds students who maintain a cumulative 3.33 **(B+) GPA** or higher.

“ACHIEVEMENT HONORS”

Students are given the opportunity to savor success, to be affirmed for their progress, by being recognized with **“Achievement Honors”** each time they better themselves in the academic arena. To earn **“Achievement Honors”**:

- ♣ a student’s grades must exceed the grades of the last grading period at least two subjects
- ♣ go down in no subjects, and
- ♣ be better than an **F** in all areas.

Each academic quarter it is possible for student scholars to merit both **“First Honors”** and **“Achievement Honors”**, supposing that one progresses in two subjects, while preserving a minimum 3.33 **GPA**.

GRADE REPORTING TO PARENTS/GUARDIANS:

Report cards are given to all students at the close of each trimester (approximately 12 weeks). These cards come home in a brown envelope which is to be signed by the parents and returned to the teachers within three (3) school days. Grades must be contested within one (1) week. St. Patrick Catholic School follows the grading scale adopted by the Diocese of Monterey that is available upon request.

GRADING SCALE for Academic Subjects:

The following grading scale has been approved by the Diocese of Monterey for academic subjects:

Grades K

- S - Shows effort and growth
- N - Needs more time and experience I - Is Improving
- NE - Not evaluated this period

Grades 1 & 2

- 1 – Outstanding
 - 2 – Good
 - 3 - Satisfactory
 - 4 – Improvement needed 5 - Unsatisfactory
- “+” or “-“ may be given in above grading categories.

Grades 3 – 8

A	97 – 100	B-	83 – 85	D+	68 - 69
A-	94 – 96	C+	79 – 82	D	65 - 67
B+	90 – 93	C	74 – 78	D-	63 - 64
B	86 – 89	C-	70 – 73	F	0 – 62

The values of the respective grades on the report card are as follows:

- “A” This is an unusual grade. It is reserved for the very highest quality of work that must include excellence in careful preparation, accuracy, and content.
- “B” This is highly commendable, and indicates that the student is doing above average, quality work. Industry, interest and perseverance will earn such a grade.
- “C” This is a satisfactory grade. It is a commendable grade for those working to ability and for those applying a high degree of effort and interest to their learning.
- “D” This grade indicates below average achievement, a lack of effort, or lack of improvement. It is a warning that there must be improvement if the student is to pass the subject.
- “F” This is a failing grade. It indicates unsatisfactory scholarship, effort, and/or progress. It is never given to a student who is working to the best of his/her ability.

ACADEMIC PROBATION (GRADES 6-8)

If a student’s academic achievement falls below a **2.0** or if he/she is receiving a D, F or unsatisfactory mark in any core subject for any grading period, he/she will be placed on academic probation. Students failing to maintain a **2.0** or receiving a D, F or unsatisfactory mark at the time of Progress Reports (midway through the quarter) and/or at the time report cards are issued will be placed on academic probation for two weeks. At that time, students who have raised their grades (**2.0 or all core subjects’ grades raised to a C- or above**) will be removed from academic probation. If not, they will remain on probation and may be asked to acquire special remedial assistance. If satisfactory progress is not achieved and maintained, teachers, principal and parents, through discussion, may wish to reconsider the child’s enrollment at St. Patrick Catholic School.

Students with a GPA below 2.0 or a D, F or unsatisfactory marks may petition the school administration to participate in after school sports practices. However, these students will remain ineligible for competitive games. Petitions to practice must be in writing and must specifically state:

- a clear understanding of why the student’s academic studies are below satisfactory levels; and
- a plan on how the student intends to improve her/his academic studies to satisfactory levels.

Each petition to practice is considered individually. Academic probation will last for approximately two (2) school weeks to allow students to improve their academic standing. If a student’s grades have improved, he/she may become eligible to participate in activities.

CHEATING & PLAGIARISM

Cheating is the act of obtaining or attempting to obtain credit for academic work by use of any dishonest, deceptive or fraudulent means. Plagiarism is the act of taking ideas, words, or specific substance of another and offering this as one’s own, without giving credit to the source, including electronic source material.

CONSEQUENCES OF CHEATING OR PLAGIARISM

A teacher who has sound reason to suspect cheating or plagiarism may consider one or more of the following actions:

- *Failure/reduction of the grade earned on the work or failure/reduction in the subject**
- *A requirement that work be repeated**
- *Notification of the parents/guardians of the offense.**
- A yellow slip may be issued.**

PROMOTION POLICY

Promotion of students to succeeding grade levels will be based upon the following criteria:

That the student will have satisfied the grade’s work and who are correspondingly mature shall be promoted to the next grade. **(Diocesan Handbook 6470.5)**

Students in the eighth grade are required to achieve a satisfactory cumulative grade point average of 1.66 (C-) in order to graduate.

The student has fulfilled the required days of school attendance. No student may be absent **(excused or unexcused)** more than ten (10) days per trimester, unless special arrangements have been made through the school administration.

If St. Patrick Catholic School cannot satisfy the special learning needs of any student, an alternative school will be recommended.

HOMEWORK

Home study is an enhancement of class activity and is an invaluable way of fostering systematic study habits, a sense of responsibility, interests and abilities. Children should be provided with adequate study conditions.

Faxed homework is not accepted under any circumstances.

RECOMMENDED TIME ALLOTMENTS

No written homework is assigned in Kindergarten. Individual needs may require special help from parents/guardians.

Grade 1	15-20 minutes
Grade 2	20-30 minutes
Grades 3 and 4	30-45 minutes
Grades 5 and 6	45-65 minutes
Grades 7 and 8	70-95 minutes

MISSED HOMEWORK DUE TO ILLNESS

Homework assignments are posted to the school web page or Google classroom per grade by your child’s teacher. It is best to check the web page as your first point of contact. If your child/ren is going to be absent for two or more days, please email the teacher and request homework for your student by 10:00 a.m. The homework will be available to you by 3:15 in your child’s classroom. Please give your best estimate as to how many days your child will be out. If you choose not to fill out the form your child will have two days to make up the work and tests from the time he/she returns to school. Please remember that the teachers are dealing with multiple students and sometimes do not get through all the work they have planned for the day. Your sick child, on the other hand, most likely will do all the work and may come back with more work done than the rest of the class. That sometimes is to be expected. **Homework requests will not be processed/accepted over the phone and/or faxed. Please do not call the office staff with requests for homework.**

VACATION TIME

The policy is the same as the above with the exception that you email the teacher **24 hours in advance** prior to leaving on vacation. In some instances, the teacher may not have all the

work run off (ditto) for the student(s) who are leaving on vacation. That is understandable as that type of work is not prepared a week in advance. Students have two days to make up missed assignments and tests upon their return. **Semester Exams and standardized testing may not be made up under any circumstances due to vacation time. Homework requests will not be**

FIELD TRIPS

A field trip is a means of reinforcing an instructional concept taught in the classroom or a way of introducing a new instructional concept to the students. A field trip may be initiated by the

teacher, and must be approved by the principal. Four field trips a year are permitted and must be educational in nature. Students must return to school immediately after the educational program. Field trips are privileges that may be revoked for academic or disciplinary reasons. The teacher will arrange alternative arrangements for non-participating students.

PARENTAL PERMISSION

Signed parental permission slips must be obtained for all field trips. Phone calls are not acceptable due to liability issues. Should a permission slip become misplaced or bereturned unsigned, students will be required to remain on campus under supervised care. Only in an emergency is a fax allowed and it must be the original Field Trip Permission Slip Form. Permission Slip Forms are available for download on the school web site.

PARENT/GUARDIAN DRIVERS

A rented school bus may be used for transportation for field trips. For safety and supervisory reasons parents may be drivers/chaperones on school field trips. Please contact your child’s teacher if you wish to volunteer your services.

***There must be adequate seat belts for all passengers and appropriate insurance coverage.**

***All drivers must be at least 25 years of age with a current California driver’s license, proof of insurance on their person or in their vehicles, have cleared their Live Scan and completed Shield the Vulnerable and the Safe Driving Course online.**

***NO CHILDREN OTHER THAN THOSE INVOLVED IN THE FIELD TRIP ARE ALLOWED.**

***All required forms must be completed prior to the day of the scheduled trip.**

PERMISSION SLIPS/EMERGENCY BACKPACK

Permission slips/emergency backpack(s) must be taken on field trips and be in the possession of the teacher.

EXPULSION FROM FIELD TRIPS

All school rules are in effect on every field trip. Students may be sent home for serious problems at the parents’ expense.

Safe, Disciplined Environment

St. Patrick Catholic School strives to create an emotionally and physically secure campus community. Initiative is rewarded, self-control is fostered and personal responsibility for one’s actions is encouraged. Positive moral training enables students to make appropriate choices in a nurturing climate.

AWARDS FOR CITIZENSHIP:

Each month, teachers will select students from their classes who exemplify outstanding initiative and creativity in their responsibilities, a positive Catholic school attitude and high levels of cooperation with their classmates and teacher(s). At the end of each month one student will be honored as the **Student of the Month** for that class and be announced at a

scheduled morning assembly.

CODE OF CONDUCT

St. Patrick Catholic School's Code of Christian Conduct strives to advance the Christian ideals of respect of God, oneself and others, to provide peaceful settings conducive to learning, to promote self-discipline, to nurture moral reasoning and to build a sense of community. Each student is required to sign and comply with *St. Patrick Catholic School Code of Christian Conduct* each year. A copy of the Code of Christian Conduct is attached to the registration package.

Parents/guardians are kept informed of their child(ren)'s conduct both formally (through green, yellow, pink slips) and informally through teacher/principal notifications and communications:

"GOOD NEWS" CONDUCT RECOGNITION (GREEN SLIP)

A green slip, signed by a teacher/supervisor and authorized by the principal, may be given to students who are recognized as proclaiming the **"Good News"** with their Christian conduct.

When a student receives a green slip, he/she may take the slip home for his/her parent(s).

When a student receives a yellow slip, he/she may be asked to phone the parent(s) to explain the infraction. Then, he/she must take the slip home for parent/guardian signature and return it to the classroom teacher the next day. The signature indicates that the school has notified the parent/guardian. Refusal by parents/guardians to sign yellow slips will not invalidate the yellow slip since yellow slips are authorized by St. Patrick Catholic School. For grades 5-8, five (5) yellow slips over a period of 90 calendar days constitute a pink slip and/or seven (7) yellow slips over a school year.

Students will serve detention on the necessary day plus any additional disciplinary procedures deemed warranted by the school administration.

Pink slips are retained and carried forward. Students may also be suspended and/or expelled for a single major infraction. **(Please refer to “Disciplinary Suspension”, “Disciplinary Expulsion”)**

Refusal by parents/guardians to sign pink slips will not invalidate the pink slip since pink slips are authorized by St. Patrick School.

Students will serve detention on the necessary day plus any additional disciplinary procedures deemed warranted by the school administration.

APPEALS FOR YELLOW AND/OR PINK SLIPS

Students and parents/guardians are given notice of misconduct or serious misbehavior by receiving a yellow or pink slip. Students are also given a fair chance to be heard and appeal these forms of disciplinary action. Students who receive a yellow slip for misconduct must first speak to the teacher/supervisor who issued the slip prior to appealing to the disciplinary team.. **(Parents/guardians are urged to follow the same appeals process)**

STATEMENT OF CHRISTIAN PRINCIPLES

All schools in the Diocese of Monterey are intended to be environments that educate, nurture and support students according to the basic Christian principles of charity and love of neighbor. Everyone involved in the development of children and youth – teachers, administrators, parents, family and friends – is required to behave in accordance with these principles. These Christian principles include but are not limited to the following:

1. Parents, family members, childcare providers and friends (including but not limited to grandparents, stepparents, siblings) are expected to work courteously and cooperatively with the school in **all** areas of the school and student life. This principle is intended to broadly apply to all on and off campus behavior that affects the school in any way.
2. Students, parents, family members and friends must act and speak with integrity, respect for others and always use good manners and a cooperative and helpful tone of voice.
3. Students, parents and family members may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile or divisive and must use appropriate channels of communication to raise these concerns. Appropriate channels of communication include contacting the teacher or staff member or the principal directly by phone or email. Inappropriate channels of communication include posting information on Facebook or similar social media, using the school’s contact list to email or text others not directly involved in the area of concern. Such channels of communication are considered divisive and not calculated to lead to a resolution of the issue in the most respectful and Christ-centered manner.
4. A parent with concerns regarding the behavior of another student must direct the concern to the classroom teacher or a staff member, not to the child or the child’s parents.

Parents, guardians or other responsible adults who violate these Christian principles may be asked to withdraw their student from the school. Conduct that materially disrupts class work or extracurricular activities or that involves substantial disorder will not be tolerated. These expectations for students, parents, guardians or other responsible adults include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.). The school reserves the right to determine, in its discretion, when conduct is of such a nature as to warrant any action including asking that the parent withdraw his/her student(s) from the School.

It shall be an express condition of enrollment that the students and parents or guardians shall conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its sole discretion.

STATEMENT OF PARENT RESPONSIBILITIES

1. Support the educational, social and spiritual development of your child:
 - a. Uphold the school's policies and rules
 - b. Make sure that your child is responsible for completing homework assignments in a timely manner;
 - c. Ensure that your child is ready for school each day by being appropriately dressed, having a nutritious lunch and all necessary supplies
 - d. Hold your child responsible by not bringing items he/she forgot to school;
 - e. Involve yourself in the spiritual life of the school.

2. Respect the school calendar and hours:
 - a. Ensuring that your child arrives on time for school each day
 - b. Calling in if your child is sick
 - c. Scheduling vacations around the school calendar rather than during school periods.

3. Work cooperatively with your child's teacher and the principal
 - a. Be judicious in speaking with your child or allowing your child to overhear conversations that are negative about the school, the teacher, the principal or another student.
 - b. Be available for conferences or meetings with your child's teacher.
 - c. Read all communications that come from the school.

WITHDRAWAL BASED ON PARENTAL BEHAVIOR

The education of a student is a partnership between the parents and the school. Just as the parent has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is broken. Parental/guardian/family member actions that negatively impact the school may also be cause for the family being required to withdraw from the school. Such actions include, but are not limited to, the following: actions that cause negative publicity to the school, its personnel, parent disregard of rules and procedures, and/or school community and hostile behavior or actions toward the school, its personnel, and/or school community; or parent disregard of the rules of good sportsmanship.

In addition, Section 5750 of the Administrative Handbook of the Diocese of Monterey states:

1. "Any parent, guardian, or other person whose conduct in a place where a school employee is required to be in the course of his or her duties materially disrupts class work or extracurricular activities or involves substantial disorder is guilty of a misdemeanor which is punishable by a fine not exceeding one hundred dollars (\$100), by imprisonment in the county jail for a period or not more than 10 days, or both" (Education Code, Section 44811).

2. "Every person who, with intent to cause, attempts to cause, or causes, any officer or employee of any public or private educational institution or any public officer or employee to do, or refrain from doing, any act in the performance of his duties, by means of a threat that such threat could be carried out, is guilty of a public offense punishable as follows:

- a) Upon a first conviction, such person is punishable by a fine not exceeding ten thousand dollars (\$10,000) or by imprisonment in the state prison, or in a county jail not exceeding one year, or by both such fine and imprisonment.
- b) If such person has been previously convicted of a violation of this section such previous conviction shall be charged in the accusatory pleading, and if such previous conviction is found to be true by jury, upon a jury trial, or by the court, upon a court trial, or is admitted by the defendant, s/he is punishable by imprisonment in the state prison”.

“As used in this section, ‘directly communicated’ includes, but is not limited to, a communication to the recipient of the threat by telephone, text messaging, electronic mail, social media sites, letter, or in person” (Penal Code Section 71)

Parents as Primary Educators

FAITH FORMATION OF CHILDREN

Parents are the primary educators of their children. Therefore, we believe Catholic and non-Catholic parents/guardians need to be open and in full agreement with the spiritual and religious education program, which includes required attendance by all students in religion classes, school Masses and other liturgical services.

HOME-SCHOOL PARTNERSHIP

The principal and teachers, and the parent community are expected to respect each other as professional and primary educators. Parents and school staff work together to promote a meaningful home-school partnership by striving to maintain open communication and interactive support.

Open, effective school staff communication includes, but is not limited to:

- | | |
|--|---|
| Our Family Handbook | 2nd Grade Reconciliation/First Communion meetings |
| Welcome Back Social | Weekly Shamrock |
| Bulletins/Emails | |
| First Impressions Contact early in the year | Green, yellow, and pink Conduct Notices |
| Class Orientations | Academic Progress Reports and Report Cards |
| Open House/Science Expo/Art Fair | Student Injury and Illness Notices |
| School and Class Websites; Phone Calls | Parent/Teacher Conferences & Phone calls as needed |

Parents support school staff as room parents, classroom volunteers, office and yard duty assistants, rainy day relief helpers, chaperones for field trips, and property maintenance workers. Parents further support school staff by helping with sacramental observances, special class presentations, and participation in a variety of school/student activities. Via notes, telephone calls, Parent’s Club and participation in Parent/Teacher Conferences, parents provide valuable input/feedback to the school staff.

Shamrock Information Bulletin

St. Patrick values electronic communication and utilizes a web site and the **Shamrock** can be found on the web site. The **Shamrock** is published each week. The deadline for information input to the **Shamrock** is Wednesday, 3:00 p.m., to the School office. All notices in the **Shamrock** must have the authorization of the principal. If electronic email is not available to you, please contact the office for other arrangements.

School Visits

Parents/guardians are welcome at St. Patrick Catholic School for class visits. School visits are arranged when they constructively affirm our school/home partnership, and do not disrupt the class learning environment. Parent/guardian visits should be no longer than 30 minutes. School visits must be arranged with the teacher and with permission of the principal at least **one full**

day in advance, so that they do not conflict with class schedules. All visitors, including parents/guardians must check in at the school office prior to their visitation. They must wear visitor passes. Students not enrolled may not attend classes unless cleared by the Principal and homeroom teacher.

IN RESPECT OF TEACHERS AND EACH CHILD’S LEARNING, PLEASE DO NOT INTERRUPT CLASSES TO DELIVER LUNCHES, CLOTHING, MESSAGES, ETC.

Leave such items in the school office where your child can pick them up at the appropriate time.

MORNING ASSEMBLY

Every student begins the school day in assembly with the entire school community at the flagpole with a **Prayer** and the **“Pledge of Allegiance”** at **8:25 a.m.** We dedicate the start of each day to God in acknowledgement of Him as Father, Creator and Redeemer. Parents are welcome to attend morning assembly.

PARENT-TEACHER CONFERENCES

School sponsored, parent-teacher conferences are scheduled during the fall to discuss the progress of the child. The fall conferences are formal conferences for all parents (kindergarten through eighth grade).

SCHOOL SUPPLIES

All students must have a book bag! Rolling book bags may not obstruct passageways in the classrooms or in the corridors. In addition, the school will send home, prior to the start of each year, a list of school supplies students are required for each class and it is the responsibility of the parent to purchase the needed supplies

STUDENT RECORDS

Student records are maintained by the administration in the school office. These are confidential, permanent records and may not be taken from the office. Copies of information contained in official student records may be requested in writing by a parent/guardian twenty-four (24) hours in advance. Parents of currently enrolled or former pupils have a right to access these files.

NON-CUSTODIAL PARENTS

In the absence of a court order to the contrary, the school will provide non- custodial parents with access to academic records and other school-related information regarding the student. If there is a court order specifying that no information is to be given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

APPOINTMENTS WITH THE PRINCIPAL

Please call the school office to arrange appointments with the principal. Appointments may also be made in person with the principal if he/she is available to do so.

GRIEVANCE PROCEDURES

"If your brother sins against you, go and show him his fault, just between the two of you. If he listens to you, you have won your brother over (Matthew 18:15).

The purpose of this Scriptural-based procedure is to accommodate reconciliation, communication, and the strengthening of our school community. Equitable solutions to problems

affecting students' welfare are best achieved by handling problems at the most immediate level before appealing to a higher authority. A parent- teacher/supervisor conference should always be the first level of this procedure. If an agreeable solution cannot be reached at this level, then a parent-teacher/supervisor-principal conference may be arranged. These procedures will be kept as confidential as possible. All parties will be appropriate in communication, and keep in mind the overall goal of strengthening the school community. In such incidents, we reserve the right to interpret school rules and guidelines fairly based on our knowledge of truth and justice. The ultimate goal is the child's well-being and provision of an optimal learning environment.

Change of Address or Telephone

It is imperative that you notify the school office immediately if there is a change of address, email address or telephone number.

At this point, however, the school encourages everyone to follow these basic, first hour procedures in the case of an emergency.

- *Tune to local Emergency Broadcast Station on your radio to receive emergency instructions.
- *Only use the telephone for emergency medical, fire, police help or for another very serious reason. Do not call the school.
