

Hello to all of our Swimmers,

Summer is coming and so is the risk of drowning. Drowning remains the leading cause of accidental death. Our staff is at hard work trying to reduce this risk and having fun while doing it.

We know you have a lot of choices where you can take swimming lessons and we appreciate you being a part of the 5 Cities Swim School. Here are some of the reasons why our swim school stands out: 1) We are the only Indoor 90 Degree Swimming Pool facility on the Central Coast 2) Our swim school has received numerous awards from the United States Swim School Association for our Teaching Program 3) Small Classes 4) Quality Training of our Instructors year round with the latest teaching techniques 5) We really care about your child 6) **Financial Aid is offered for families who need it.**

Our best offer for this summer is our Summer Gold Swimmer Special. Sign up for the whole summer and not have to worry about keeping your lesson time.

Summer GOLD Swimmer Special \$260 FOR THE ENTIRE SUMMER!
