

The Shamrock

April 16, 2021

Check us out on Facebook: [StPatrickCatholicSchoolAG/](https://www.facebook.com/StPatrickCatholicSchoolAG/)

Dear Parents,

I hope that you all enjoyed your spring breaks! It was wonderful to take time to enjoy rest and relaxation with family and friends. I know that this year we all feel grateful to have those times together. We had a great week back to take us into the home stretch of the school year. Thank you to our 7th grade class for hosting our Student of the Month awards today. Your class and our students of the month truly inspire all of us to put our best feet forward during these final six weeks of school – how time has flown!

Our office staff and faculty are wearing two hats these days as we finish our “Year of Courage” strong and then prepare for the 2021-2022 school year. Part of this planning and discernment involves staffing for next year. With that, I do have some announcements in regard to staffing for our next school year. Mrs. Gail Johnson, Mr. Barry Garelick, and Sr. Margaret Malone have decided to retire at the end of this school year. This is bittersweet for me – sad but also thrilled for them that they have chosen to take a step back, smell the roses, and fully enjoy some relaxation with family and friends. Sister Margaret will still teach elective classes here at school, help with school masses, and other evolving items – who knows I may even keep her busier than she already was 😊 Mrs. Johnson and Mr. Garelick will also not be strangers as Mrs. Johnson will fully embrace visiting here in the grandmother role and Mr. Garelick has promised to substitute teach for us. I know that you join me in thanking them for the loyalty, service, and love that they have given to St. Patrick – from countless children to many BBQs, fundraisers, and families all three have truly lived the Mercy Charism throughout their years of dedication to our school. Our hats go off to them for their commitment, sacrifice, and service to all St. Patrick School families!

Moving into next year we are excited to announce that Ms. Angie Mello will take on the role of Science Teacher for grades 6-8. Ms. Mello had previously taught STEM two days a week at all grade levels and has experience working with the junior high science curriculum. Ms. Mello will also be taking the helm on the 6th grade Science Camp experience (if all goes well with COVID restrictions lessening) moving forward. I have also offered positions in the main office and in 5th grade to applicants. Both accepted positions and I will announce those when fingerprint clearance and other items are complete. I know that all will welcome them into our school community!

As always, thank you for your continued support of our faculty, staff, and school!

Have a restful weekend!

Maureen Halderman

This Week and Beyond...
