

The Shamrock

January 7, 2022

Dear Families,

Happy New Year! I hope that you all enjoyed a restful vacation. Family, friends old and new, and RAIN were certainly blessings to me over my holiday break!

January will be a busy month for us for many reasons. School Masses, sports, and our annual Catholic Schools Week celebration are all slated for this month. A fun-filled month for all! An uptick in COVID cases in our county, however, may require us to revise some of our plans. If any changes are necessary we will keep you posted.

Currently St. Pat's is seeing positive cases within the school community. It is important for all of us to work together for the health and safety of our students, faculty, and staff and to remain home if ill. At school we continue the frequent handwashing, sanitizing, and proper masking indoors so that we can do our best to maintain a healthy school community. As was publicized over our holiday, the CDC and CDPH have updated their COVID guidance. This guidance does not supersede K-12 school guidance and we are awaiting updates to the guidance in the coming days. In the meantime, we are required to follow the K-12 guidance for schools below. <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/K-12-Guidance-2021-22-School-Year.aspx>

We will inform you once the revised school guidance is released to us. This is a very challenging situation for all- parents, office staff, and teachers- navigating the fluidity of the changes in guidance we've been experiencing. Patience on all of our parts will be paramount as we travel this road together; as I know that all of us are trying our best under the circumstances we've been given. Thank you for partnering with us during this time.

Have a restful weekend!

Best,

Maureen Halderman

SCRIP

Reminder: each family is required to buy a certain amount of Scrip each year. Different gift cards give different percentages back to the school. For example, if you buy a \$100 California Fresh gift card, the school gets 10%, or \$10. Amazon, on the other hand, gives back 2% so a \$100 gift card would only be \$2 for the school.

The amount of profit for the school each family is required to generate is \$100 for preschool-only families, \$210 for a single student in grade K-8, \$235 for families with more than one student in PS-8th grade.

Scrip can be ordered online (<https://shop.shopwithscrip.com/Login/Enroll> enrollment code E72D27D21L281) or bought in the office. See the flyer at the end of the Shamrock for some local businesses who also contribute.

Local Businesses Who Support the Scrip Program

Please note there are more local businesses that support St. Patrick School through the Scrip program including California Fresh Market, Café Andreini, It's Really Yogurt, F. McLintocks, Old Village Grill, and more! Gift cards can be purchased in the office.
