Tuition Refund Policy

St. Patrick School plans carefully to ensure full enrollment in order to provide our parents with tuition that remains affordable. Contracts are a commitment of both parties to adhere to the policies of the school. It is the policy of St. Patrick School that tuition cannot be reimbursed for the semester (August-December; January-June) in which a family leaves the school. Families that leave during the semester are required to continue to pay tuition until the end of that semester. This policy pertains to students who withdraw voluntarily as well as students who are asked to leave the school.

If a family re-registers and withdraws before the start of the school year prior to June 30th, no tuition will be charged to them. After June 30th, the August-December semester tuition payments will be required.

C. TUITION ASSISTANCE PROGRAM

St. Patrick Catholic School strives to make Catholic education available to all children even if families cannot meet the full cost of tuition. To facilitate this goal, a limited amount of money is available to families who enroll their child(ren) in grades kindergarten through eight. Funds are allocated based upon demonstrated need and are disbursed directly into tuition accounts at the beginning of each school year. **All matters relating to individual tuition assistance are held in the strictest confidence between the receiving family and school administration only.**

Families must complete the FACTS ONLINE application no later than April 30, 2024. Go to our website, www.stpatschoolag.com, under Admissions, to find the link to [Tuition Assistance](#). St. Patrick Catholic School will use FACTS, which provides confidential data necessary to make a fair and equitable distribution of tuition assistance.

1. Tuition grants are designed only to financially assist families in need. Tuition assistance allocations should not be regarded as a family's sole means of financing the Catholic education and care of their child(ren) at St. Patrick Catholic School.
2. Tuition assistance is available to families who enroll their child(ren) in St. Patrick Catholic School. If in future years their financial situation improves allowing them to repay all or part of such assistance, they will be expected to do so. This will create additional monies for other families who need assistance.
3. The school administration reviews all tuition assistance applications. Families who benefit most from the program are selected. Continuing families of currently enrolled students at St. Patrick Catholic School, who are in good financial standing, will be given preference.
4. Families who receive tuition assistance are still required to pay all fees and to perform their family service responsibilities.
5. Tuition assistance is awarded for **one** academic year. For continued assistance a new application must be filed each academic year by the appointed deadline. A review of the previous year's payment and involvement record will be taken into account prior to granting a new request.

St. Patrick Catholic School Registration Information 2024-2025

- Tuition assistance is allocated on a month-to-month basis. It will not continue if a family's required portion is not paid in a timely manner. If your student withdraws during the school year, your tuition grant cannot be applied to outstanding fees or tuition.
Please contact the school office staff (489-1210) if you would like more information about the program.
